Draft Authorization to Discharge under a General Permit - Public Notice Period:

Public Notice Start Date: October 29, 2019

Public Notice Expiration Date: November 27, 2019 at 5:00 pm Alaska Standard Time

Authorization No.:

AKG572119

Facility Name:

Burnett Inlet Hatchery Wastewater Treatment Facility

Proposed Project and Location:

The proposed authorization under general permit AKG572000, Small Publicly Owned Treatment Works and other Small Treatment Works Providing Secondary Treatment of Domestic Wastewater and Discharging to Surface Water, authorizes the discharge of secondary treated domestic wastewater from the Burnett Inlet Hatchery located in Burnett Inlet, Etolin Island, Alaska to Burnett Inlet. Discharge of domestic wastewater shall occur at an estimated combined maximum daily discharge rate of 1,330 gallons per day. Domestic wastewater treatment consists of two separate systems using separate marine outfalls. A mixing zone is proposed for each marine outfall for fecal coliform bacteria and enterococci bacteria. The Outfall 001A (System 1; 880 gallons per day) and the Outfall 002A (System 2; 450 gallons per day) mixing zones are defined as the area of a 10 foot radius circle, centered over the end of pipes to the surface.

Description of Discharge:

The pollutants of concern associated with domestic wastewater discharges include: 5-day biochemical oxygen demand (BOD₅), dissolved oxygen (DO), enterococci bacteria, fecal coliform bacteria (FC), pH, and total suspended solids (TSS)

The General Permit, Fact Sheet, and proposed authorization are available upon request or can be accessed at the DEC web site: <http://dec.alaska.gov/water/wastewater/>.

Tentative Determination:

DEC has tentatively determined to issue an authorization to the Burnett Inlet Hatchery Wastewater Treatment Facility to discharge under the general permit for the activity described above.

For inquiries or to request copies of the documents, contact:

Public Comments:

Written comments on the proposed authorization to discharge under an APDES general permit must be submitted within 30 days of the issuance of this public notice. Please direct written comments to the attention of Jeanne Swartz at the address or email identified above. All comments should include the name, address, and telephone number of the commenter and a concise statement of comment on the permit condition(s) and the relevant facts upon which the comment is based. Comments of either support or concern which are directed at specific, cited permit requirements are appreciated. Mailed comments must be postmarked on or before the expiration date of the public notice.

DEADLINE FOR WRITTEN COMMENTS

November 27, 2019 at 5:00 p.m Alaska Standard Time

Administrative Record:

The APDES draft permit, fact sheet, and associated documents are available for public review at the DEC offices located in Anchorage, Fairbanks, Juneau, Soldotna, and Wasilla. Please contact the office of your choice to arrange for hard copies of the documents to be available for your review.
